

Shape

Impressions. Identity. Impact.

Everyone plays a role in shaping our societies, from builders, to artists, or to being a global citizen. No matter the role, we challenge our community to look closely at their individual shapes and those around them in order to place them in broader conceptualizations. What has shaped your identity? How can you shape your society?

TED^xGVSU
x = independently organized TED event

5-9 PM on Friday, March 11, 2018
Loosemore Auditorium
